Winter Cloth Distribution, 2020

For most of us, winters are in the comforts of our homes..with our family and friends. However, for many, winters are hard and cruel due to lack of some basic needs like warm clothes and food.

Visionary Development Welfare Society attempts to spread some warmth and thus, organized a WINTER CLOTHES DISTRIBUTION camp on the 25th of December, 2020.

Bhogali Bihu, 2021

This is the first time that VDWS has been able to provide a variety of rare herbs and snacks to the people of Assam. The love and blessings we received from everyone on this journey really inspired us. We will always try to take this journey forward in the coming days.

Blood Donation Camp, 2021

International Women's Day, 2021

“Children are the future of our society.” If we teach them well ... They will learn to lead the path towards humanity. We need to show them all the love and beauty that they possess inside of them.

Keeping this in mind, on this occasion of International Women's Day, Visionary Development Welfare Society interacted with the children living in the slum areas of Zoo Narangi Road, Guwahati. Special thanks to ArchanaBorthakurMa'am 'sPriyobondhu for giving us this opportunity.

World Environmental Day, 2021

'Only One Earth' theme of the very first World Environment Day observed and adopted by UN in 1972 speaks much about the need of reflecting back into our actions and decisions that had held us hostage today inside our homes. Years of continuous pollution, environmental degradation, exploitation of natural resources, disruption in the ecosystem, in unnatural ways and unnatural place has exhausted and slowed the nature's own capabilities to restore and rejuvenate itself. This year as we enter a whole new decade, the UN has decided to give a helping hand to the mother nature and launched the 10 year UN decade plan on ecosystem Restoration to stop environmental degradation and work on bringing back the balance. We here at VDG have made our conscious choice and extended our support to the cause in few ways. The vdg team has planted more than 25 saplings on the occasion of World Environment Day 2021 in Sonapur Kamrup, Assam where hopefully a small contribution will inspire many more others to make their own conscious choice.

International Women's Day, 2022

We celebrated Women's day, 2022 with the respected nurses of Nalbari Civil Hospital by felicitated them with a gamusa and also an appreciation letter. They were doing their duty when the COVID pandemic paralyzed our life. After going out to work at that time they did not know whether they would return home COVID positive or negative. The bed in which they cared for the patient may be their companion tomorrow. Salute to those who stand up bravely in times of life and death.

Blood Donation Camp, 2022

Visionary Development Welfare Society organized a voluntary Blood Donation Camp in Chamata, Nalbari on Sunday , May 1. About 182 people donated blood to enrich the local blood bank and we hope this will benefit the local people. The camp was conducted by Shaheed Mukunda Kakati Civil Hospital and 136th Battalion , CRPF. We are eternally grateful to you . We would also like to thank the West Nalbari Press Club , District Press Club and all those who helped us to make this event a success . Our appreciation is incomplete without the help of the people of Chamata, we are forever indebted to you for the love and support of the people of Chamata.

“Blood Donor” , seems to be another name for the angel of the invisible one. We would like to thank all the blood donor

who tried to bring smile to many families by donating their blood, may you live long in good health We would also like to thank all the staff of Visionary Development Welfare Society who made this blood donation camp a success wishing you all the best .

বিদ্যামালা

Vidyamala is a notable initiative of Visionary Development Welfare Society. We are taking this special step with the aim of helping everyone move forward. Every rising child dreams of becoming a doctor, an engineer but no one thinks about setting up an industry and supporting himself and ten others. Maybe don't think about it because we don't have real consultants. Even if there are advisors they just provide what to do better. We are coming to

every corner of Assam with every student, we will give how industrial development helps to improve a state, how it helps to light a stove in every household. Every young man and woman who is rising should learn to see the vast sky, learn to build their own dreams there.... We will always help whoever pursues every dream to move forward, and the doors of Visionary Development Group will always be open for them.
